Dear Mom & Dad,

We haven't received the diamond yet, but should soon. Vickie was certainly relieved as she had been quite upset about losing it. Please thank Sandy for us - & don't have her address or we would write.

The flight home was smooth and uneventful. It was sure a lot of fun in Bellevue and I hope we can come back soon.

I have decided to send you a check every two weeks as being the best way to repay you. I will write at the bottom the amount remaining to be paid. Please don't worry about our finances as I am making more than

we can spend. Luckily I  
got my promotion before the  
freeze - they have now made  
it a lot harder to advance.

We got a letter from  
Carol Fauch. She is moving  
to San Francisco where she  
will try to get her Master  
Degree at S.F. State. It  
sounded like she is getting  
along pretty well.

I will write again soon

- Jim

P.S. I guess Vickie wrote  
to Sandy in care  
of you.
